

# World Castles Award Switzerland

## Challenge best activator of the year

*This challenge wants to promote portable activities on the Diploma of the Swiss castles.  
The challenge takes place in the Ham Spirit that distinguishes the radio amateur.*

*The regulations of diplomas on the castles are reference for the rules of this challenge but exceptions to the activation that refers to one reference at a time and to the maximum two in one day.*

*The resident radio amateurs stations are not considered.*

*The challenge lasts for the duration of a civil year.*

*The challenge is the patronage of Team World Castles Award Switzerland which manages its attribution and administers it autonomously and unquestionable.*

### Calculation criteria for activations scores

Date ..... WCA/DCS reference ..... Call used .....

---

#### **Total number qso ..... (minimum 50!)**

*Activities on reference; nr. Qso and modes.*

**CW and Digi have a greater commitment and a constraint of at least 25 QSO.**

Nr. QSO SSB ..... x 1pt	Nr. QSO CW ..... x 1,5pt	Nr. QSO DIGI ..... x 1,5pt	Total points .....
----------------------------	-----------------------------	-------------------------------	--------------------

---

#### **Last activity carried out for how long? (References to the manager de WCA/DCS)**

From 1 day to 5 years ..... QSO x 1pt	Over 5 years ..... QSO x 1,5pt	New one ..... QSO x 2 pt	Total points .....
------------------------------------------	-----------------------------------	-----------------------------	--------------------

---

#### **Distance premium! (refers to what is indicated on the QRZ page of the call)**

CQ Zone 14 e 15 ..... QSO x 1pt	CQ Zone 16 e 20 ..... QSO x 1,5pt	Altre Zone CQ ..... QSO x 2 pt	Total points .....
------------------------------------	--------------------------------------	-----------------------------------	--------------------

---

#### **Activation location? (we reward those who move for activations)**

Own canton ..... QSO x 1pt	Other canton ..... QSO x 1,5pt	Not HB9 (HB9/F5...) ..... QSO x 2 pt	Total points .....
-------------------------------	-----------------------------------	-----------------------------------------	--------------------

---

#### **Ham radio transceiver? (the greatest commitment of the QRP is rewarded).**

QRO ..... QSO x 1pt	QRP (5cw/10ssb) ..... QSO x 1,5pt		Total points .....
------------------------	--------------------------------------	--	--------------------

---

#### **Operation? (stimulate multi -op. and reward the organization)**
